### IMPORTANT BENEFITS TO KEEP LIFE MOVING FORWARD

#### Life

Your sudden death would devastate your family emotionally, but on top of that there would be the financial fallout. Life insurance can make that burden a little less by helping to take care of living expenses and other needs.

While not always top of mind, making sure that death benefits are directed to the intended beneficiary(ies) is very important when you have group Life insurance. Having an up-to-date beneficiary designation will help ensure prompt payment of any death benefits available upon your death.

**EMPLOYER PAID** - Employees with Healthcare have employer paid Basic Life. Group Life available for a small per month fee if you waive Healthcare

**EASY** - Enroll on-line in the Dayforce system. Be sure to designate your beneficiary(ies) and revisit this election from time to time.
